

**THE YOUNG
EP ARENA**

If you are a young EP committed to VT ablation, or overall management, we warmly invite you to send your most painful failure or your hardest VT case, that will be selected for presentation and subsequent debate in a dedicated session.

We want you to be active part of the program, to share with us the tricks of the trade that helped you to succeed in a tough case, or to critically review a procedural failure to improve everybody's practice.

HOW TO PARTICIPATE?

Submission deadline: May 15th, 2019

Please fill the form below and send it to: info@medcongress.it

Family name _____

First name _____

Institution _____

Address _____

Postal code _____ City _____ Country _____

Tel. _____ Fax _____

E-mail _____

Title of your clinical case _____

Short description _____

Your submission will be evaluated by the scientific secretariat.

If your clinical case will be accepted you'll be contacted by the organizing secretariat to arrange travel and accomodation.
